NINJA'S

Broadway Life

is a fascinating story of an ordinary girl, faced with a choice - to continue playing by the rules and face the adversities that life throws her way OR to avenge fate and take matters into their own hands at any cost.

Love, jealousy, crime, repentance.
All this and much more in the show "Nina's Broadway Life".

Thanks to the efforts of an international team of professionals,
we created a two-story stage with internal labyrinths,
lined with large LED screens,
broadcasting specially crafted video content.

All the sceneries that viewers will witness are so realistic,
that at one moment they will be blown away by the freezing
wind from a prison cell, at another they will feel like guests
at the noisiest wedding, and the next they will find themselves
in the cozy walls of an exquisite cabaret.

To fully take us for a ride into the glamorous era,
also known as the "Jazz Era",
the costumes for the show are specially designed and
crafted by Nichola Floridov.

With his innovative and creative approach,
he manages to create a bridge between the decadent atmosphere
of the "Great Gatsby" and contemporary fashion trends.

Apart from the incredible technical characteristics of the show,
the dance component is no less impressive!

PRJCT 360 are professional artists
ready to conquer the hearts of every viewer.
On stage, as in life, they move as a single organism,
but they have unique, different characters,
which makes their images so interesting to watch.

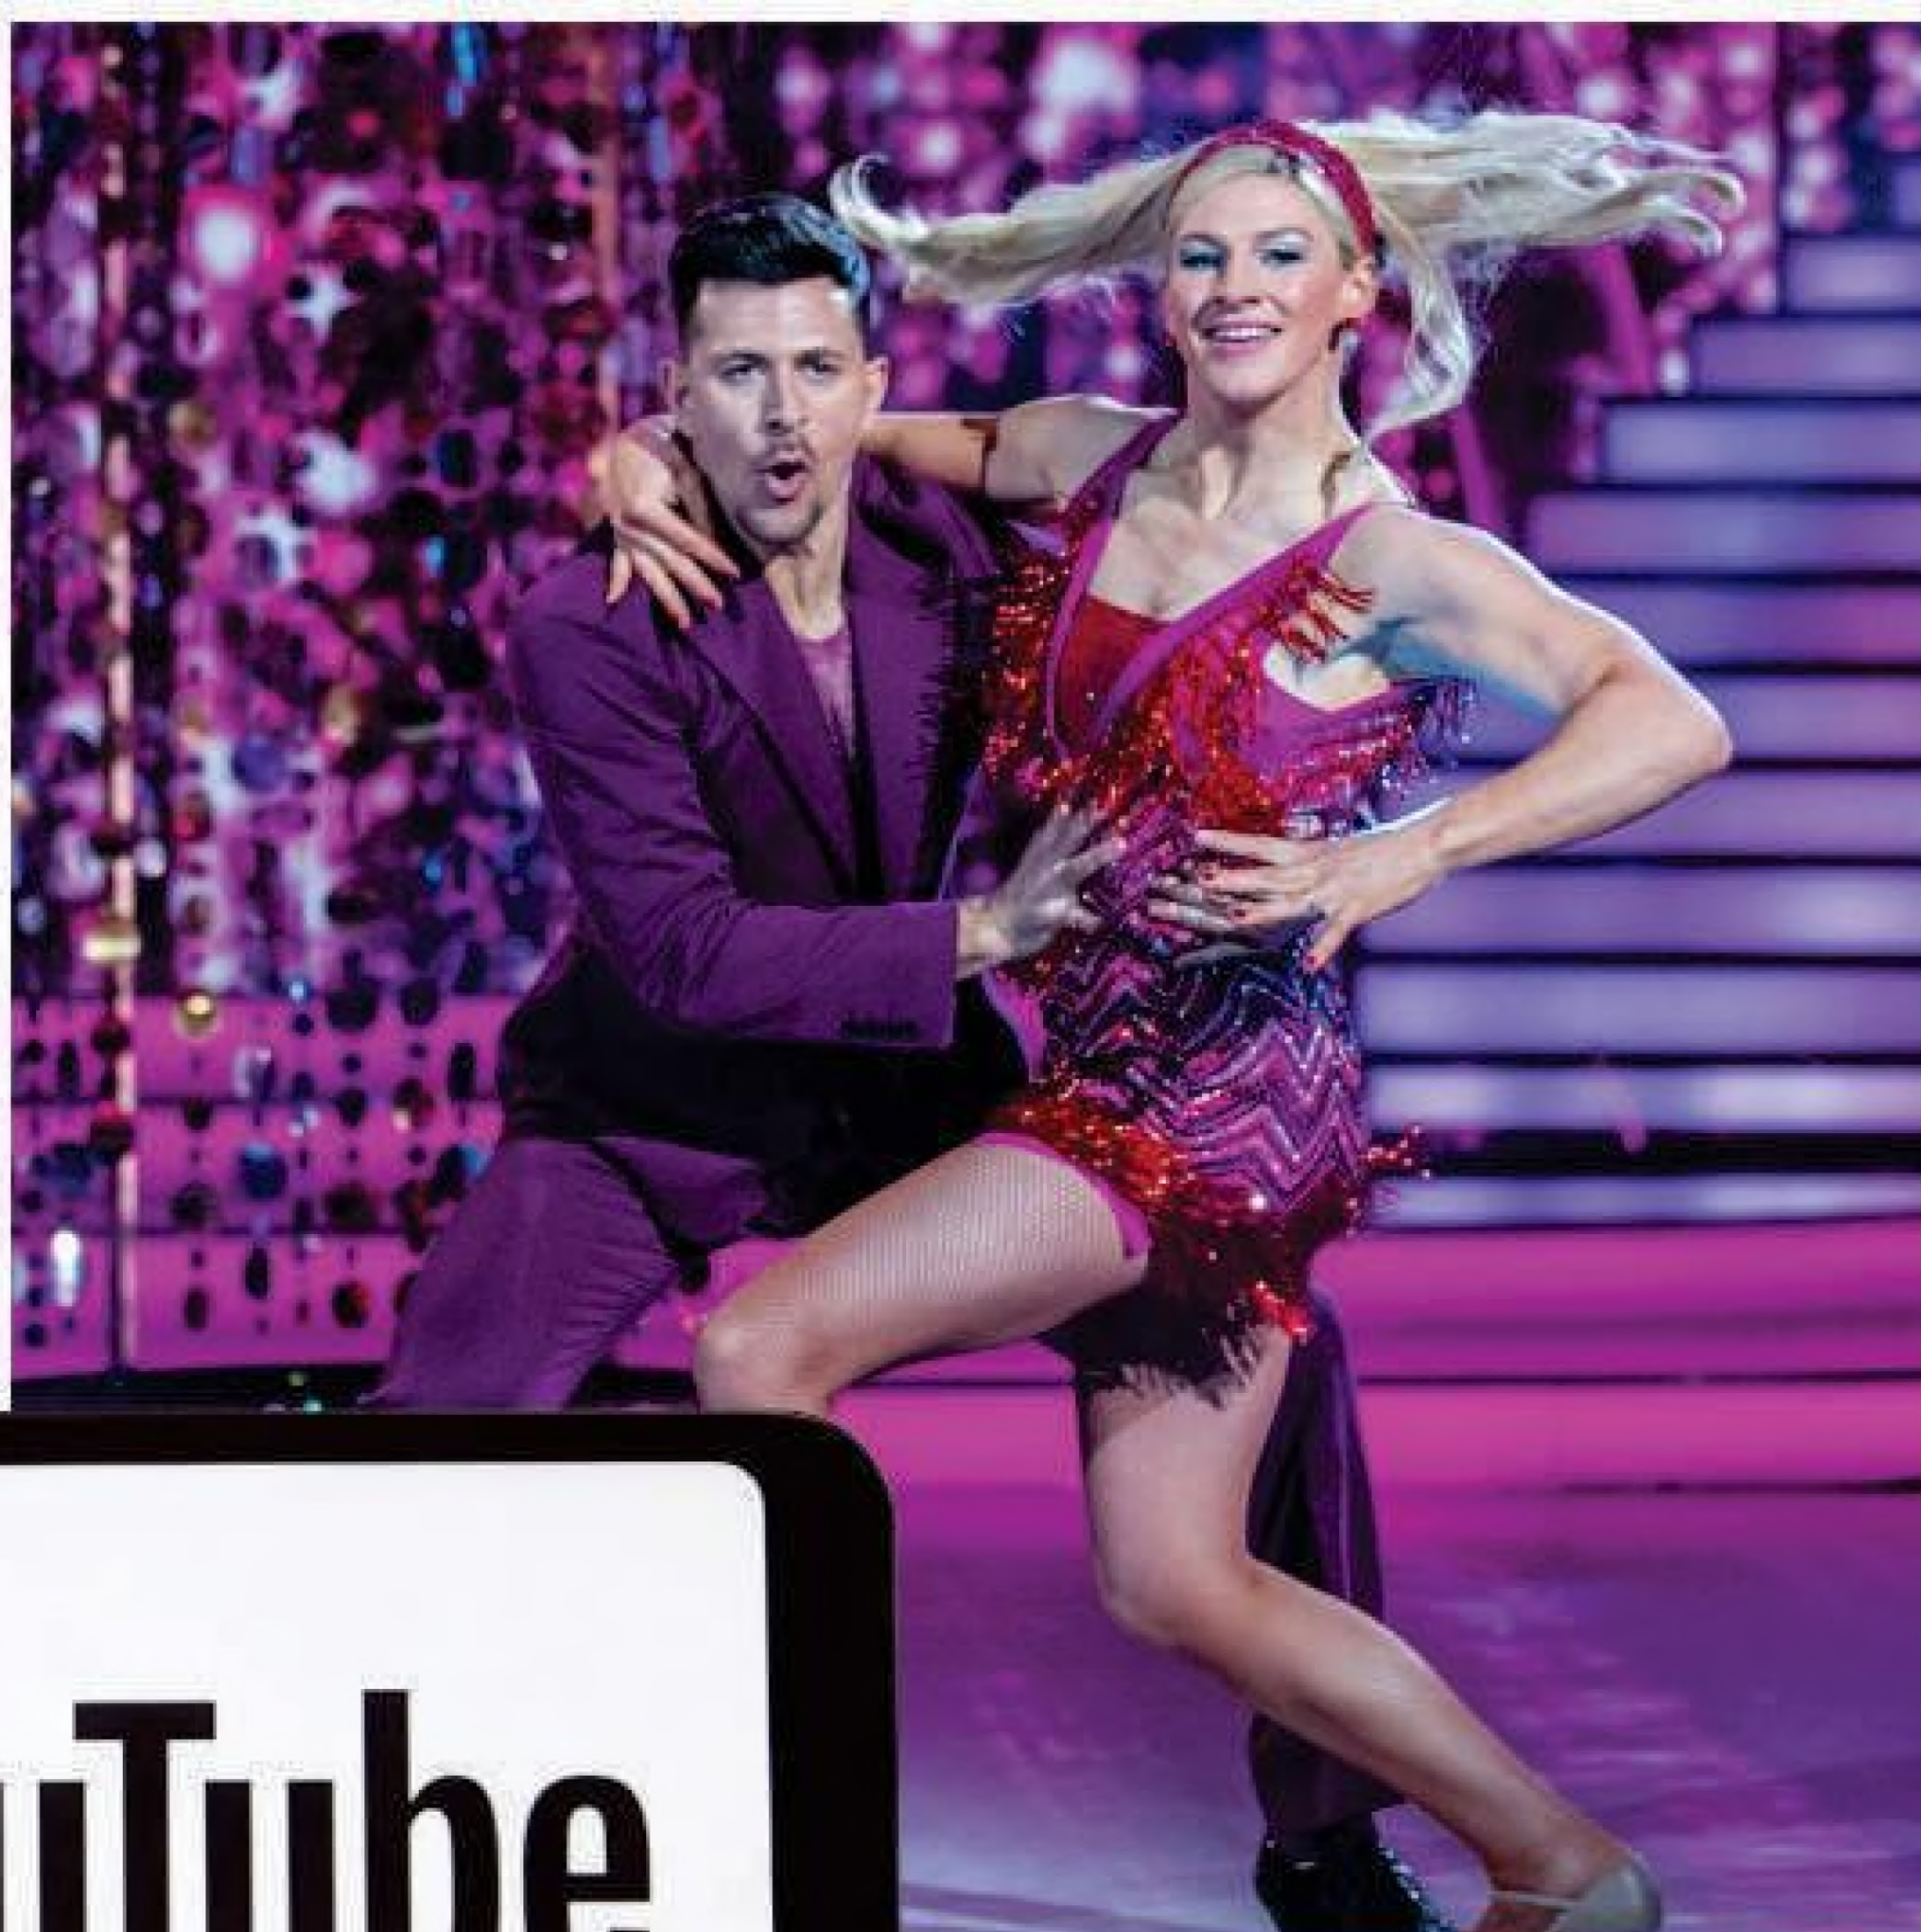

The performance "Nina's Broadway Life" of PRJCT 360
is the largest dance show ever made in Bulgaria!

The team of choreographers of PRJCT 360 consists of three artists working in diverse directions - Rositsa Terziyska (Classical and Jazz Techniques, Jazz Funk, Contemporary Choreography), Simona Georgieva (Hip-Hop and Urban Choreography) and Vasil Zolumov (Hip-Hop, Urban and Contemporary Choreography).

The choreography of the show will amaze even the most demanding spectator with its energetic mass numbers, gentle duets and acrobatic solos.

This spectacle is a real feast for the senses, which will keep you in suspense from the first minute and will not let you go until the very end!
